

Become a CERT Basic Instructor
FEMA Certified

CERT Train-the Trainer Course
January 24-26, 2020 (Fri, Sat, Sun, 8:30 to 4pm)
(You must attend all 3 days)

Location: Cabrillo College

Course Goals are preparing instructors to:

- Deliver the CERT Basic Training
- Convey the message and intent of the CERT Program (safety, teamwork, place in local emergency operations plan)
- Assure students achieve the objectives of the CERT Basic Training
- Create a comfortable, yet managed learning environment.

Prerequisites include:

- Willingness to teach at least 4 CERT Basic modules annually once certified (see [Instructors Expectations and Responsibilities](#))
- Completion of the CERT Training Course
Note – Special exceptions to the CERT Basic Course requirement may be made on a case-by-case basis for participants that have extensive fire or police background.
